1 I, David B. Glazer, hereby declare as follows:

2 1. I am attorney of record appearing in the above-captioned matter for the Defendant
3 United States Forest Service.

4 2. The current complaint in this action runs 40 pages and consists of over 170
5 paragraphs. The majority of those paragraphs contain detailed factual information that
6 Defendant must carefully review and consider in preparing a response. Plaintiffs have indicated
7 that they intend to file an amended complaint by May 30, 2008, prior to the time Defendant is
8 required to respond to the original complaint. It is reasonable to expect that the amended
9 complaint will contain additional material requiring further analysis.

10 3. Given the nature of the complaint and claims presented thus far and anticipated to
11 be presented in the amended complaint, Defendant requires additional time to respond to the new
12 complaint. In addition, the Parties have begun discussions of case management issues and agree
13 that it is most practical to discuss and prepare a case management plan after plaintiffs file their
14 amended complaint, and they require additional time to do so.

15 4. No other extensions have been sought by any party in this case. Other than
16 extending the time for answering the amended complaint and continuing the Case Management
17 Conference, the relief requested in this Stipulation will have no other effect on this case, in
18 which no events have been set beyond the initial Case Management Conference.

19
20 I declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the foregoing is true
21 and correct.

22
23 Executed this 16th day of May 2008, in the City and County of San Francisco, California.
